

How to log -in to

Is your class using Moodle this semester? This guide will give you two options for logging in to your class Moodle site. If you have any technical difficulties or have issues with your username/password, contact IT via email at itsupport@johnabbott.qc.ca, present yourself at HE-411 for in-person assistance, or call 514-457-6610 X3333.

You have two options for logging into Moodle.

Option 1. Through Omnivox

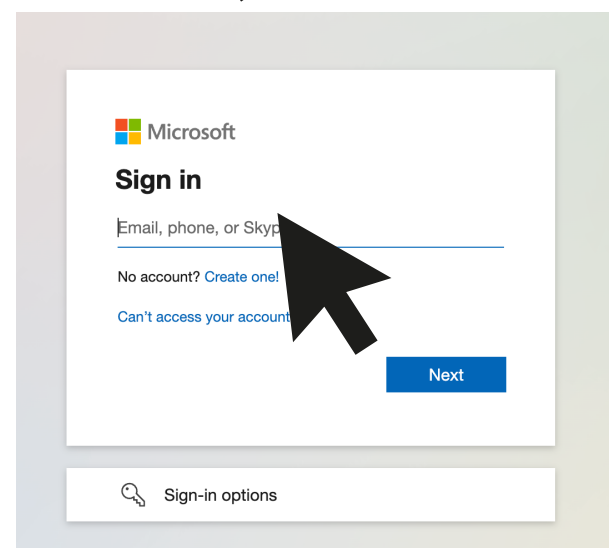

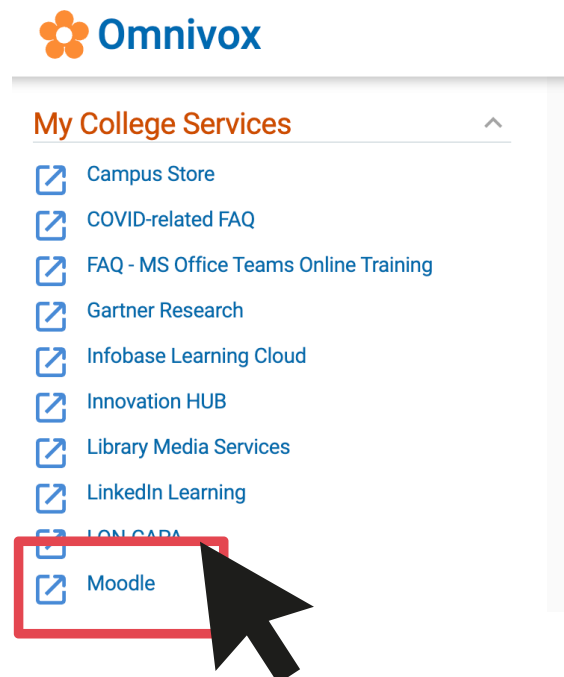

1. Go to <https://johnabbott.omnivox.ca/>
2. Scroll down to "My College Service" on the left-hand side
3. Click on "Moodle"

One of two things will happen:

If you are already logged in to your John Abbott College email in another tab, you will automatically be logged on to Moodle. Once you are logged in you should see your courses and be able to get started!

If you are not automatically logged in, you will see a Microsoft log-in window.

- Log-in using your JAC Outlook email address (firstname.lastname@johnabbottcollege.net) and password. Once logged in, you should see your classes and be able to get started!

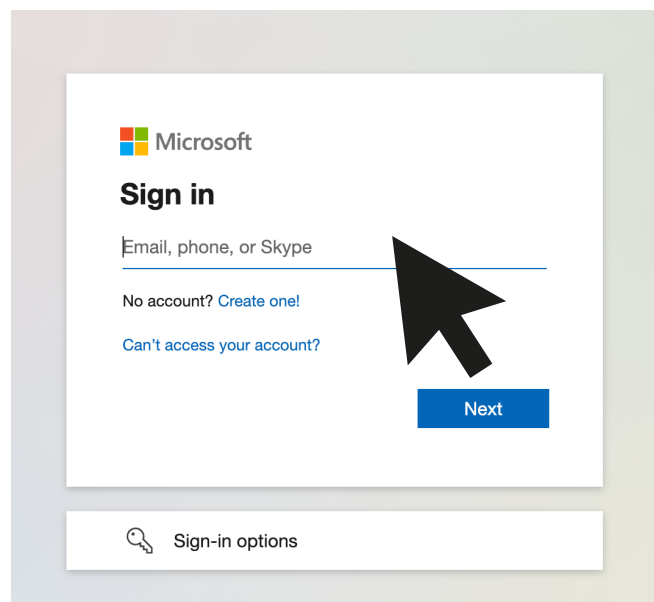

Option 2. Using the Moodle URL

1. Go to <https://moodle.johnabbott.qc.ca/>
